

Following the dreadful attack on the Manchester Evening News Arena, the school council met to discuss how we could offer our help and show our love for all of those who were affected.

The school council organised a whole school fundraiser for Monday 5th June 2017. Bee biscuits were made and sold for 50p and the children were given the opportunity to make worker bee badges for £1.

Warm thanks go out to all children, parents and carers for your support; an impressive £296 was raised and has been donated to The British Red Cross 'We Love Manchester Fund'.
