### ***PARENTS EVENING***

As a result of the views shared by parents in the last parental questionnaire, we will be holding a parents evening for all Key Stage 1 and Key Stage 2 children this half term. This meeting will be used to share with you how your child is settling in and how we can work together to ensure that your child reaches their full potential this year.

Key Stage 1: Tuesday 21<sup>st</sup> October

Key Stage 2: Thursday 23<sup>rd</sup> October

Appointment slips will be sent out nearer the time.

### ***HARVEST FESTIVAL***

Our Harvest Festival celebrations will take place on Thursday 2<sup>nd</sup> October at 9.30am. We are delighted that we are able to hold our celebrations at the church this year and look forward to seeing you there!

### ***PE KITS***

Please can parents make sure that children have their P.E. kit in school for the days that they have P.E. We strongly recommend that P.E. kits are brought into school at the beginning of each half term and remain in school until the end of the half term when they will be sent home with children to be washed. P.E. lessons are as follows:

Reception: Monday and Tuesday

Year 1: Monday and Wednesday

Year 2: Monday and Thursday

Year 3: Monday and Thursday (swimming kit)

Year 4: Tuesday and Thursday (swimming kit)

Year 5: Wednesday and Friday

Year 6: Thursday and Friday

### ***HEALTHY SCHOOLS UPDATE***

Once again, this year we have become part of the Healthy Schools initiative and are striving to achieve our Gold Award. As part of this we are continuing to encourage our children to eat healthily and take part in more physical activity. We hope that you can work together with us to ensure that all our children are healthy and happy

### ***ASTHMA***

This week you will receive details of the new asthma policy, which is viewable via the school website. It is vital that we have all the necessary information about your child to ensure that we keep them safe. Please could parents make sure that we are aware of any child that has had any diagnosis of asthma, past or present. During the term, the School Health Advisor will be holding an asthma “ Drop-in” session in which she can offer advice on managing your child’s asthma needs.

### ***EXTRA CURRICULAR CLUBS***

I am really pleased that this year we are able to offer children a wide range of extra curricular activities. During this week your child will receive a list of clubs that will be running this term. If your child would like to attend a club then please fill in the slip and return it ASAP so that places can be given before the clubs begin next week. It is important that if your child is given a place then they must attend each week or their place will be given to someone else as there is a maximum number of places within each club.

**Please remember to check the age range for each club before completing the slip to avoid any disappointment.**
