PUNCTUALITY

We have made some alterations to the school timetable since we returned after half term. All classes from Year 1 to Year 3 will now be undertaking phonics /spelling sessions first thing in the morning. These sessions are extremely important for your child and therefore children arriving late will be missing vital teaching points and will be putting themselves at a disadvantage.

School begins at 9.00am and the doors open at 8.55am- please ensure your child is on time and ready to learn as soon as they enter school.

CHANGES TO STAFFING

Mrs. Majerski, our Year 5 teacher has now left and her place has been taken by Mr. Sheader, who will take responsibility for the class for the rest of this term.

EASTER COMPETITION

At the end of this term we will be holding our annual Easter competition. The theme for this year's competition will be 'Easter Bonnets'. Prizes will be given to two children in each class, while everyone who enters will receive a small gift. Competition entries should be brought into school on the last day of term, Thursday 24th March.

BUILDING WORK

Over the half term holiday, we had contractors on site undertaking roofworks and alterations to the playground. The playground has now been completed and hopefully should result in less problems with mini swimming pools forming after heavy rain.

The roofworks should be completed by the end of this week.

WORLD BOOK DAY

World Book Day will this year be held on Thursday 3rd March. We will be holding a 'World Book Day Quiz' on this day with other book related activities planned.

Please note- there will be no non-uniform on this day.
