

Hello Nursery and Reception

We are missing you lots and hope you are having lots of fun spending time with your families at home. Most of you collected your work packs so that you could take part in home learning and we are aware that you may have nearly finished them. We have put some ideas and activities together for a topic we *would* have been covering at school during this time. We hope that you enjoy these fun activities.

Make sure you are uploading your pictures of your work to 'Learning Book' as Miss Montgomery and Mrs Chapman are still checking online to see how everyone is doing at home.

Stay safe, stay at home, we miss you lots and will see you all very soon

XXXX

Early Years Homework

<p><u>Writing & Reading</u> <u>Reception</u> - Write a simple sentence about the stories you have read. Write about what type of transport is your favourite. Write a story about going on a journey Label a drawing of a car/train/aeroplane <u>Nursery</u> - Draw a picture about the stories you have read. Draw a picture of your favourite type of transport. Draw and talk about when you have been on a journey. Label a drawing of a car/train/aeroplane.</p>	<p><u>Communication & Language</u> Listen carefully and retell the stories from the book list. Discuss the stories in full sentences and answer questions about the stories. Tell an adult how you made... a train, car, a hot air balloon or how you made up a game. Book List on the next page - you can find most of these stories on youtube if you do not have them at home.</p>	<p><u>Mathematics</u> <u>Reception</u> - Double and halve with counters Order numbers to 20 Addition and subtraction using objects and counting on or back <u>Nursery</u> - Count out a small number of cars, bricks, crayons etc.- how many have you got? Notice numbers in your house- what are they? Write some numbers up to 10. Count up to 10/20 out loud.</p>
<p><u>App List</u> Oxfordowl.co.uk Phonicsplay.co.uk Maths is fun Bbc listening game</p>	<p style="text-align: center;"><u>Where did the wheels on the bus go?</u></p> <div style="text-align: center;">  </div>	<p><u>Personal social and emotional</u> Discuss personal journeys the children have been on What's your favourite type of transport - Tally Chart Why did the train run away?</p>
<p><u>Physical</u> Stop/go games using traffic light colours Fast/slow games based on modes of transport Make tracks with footprints Set up an obstacle course to travel along</p>	<p><u>Expressive Arts and Design</u> Make a model boat Make a moving vehicle Construct a train with blocks and parts Make an aeroplane Use instruments whilst listening the wheels on the bus Pretend you're going on a journey on a bus, train, aeroplane. Sing- Wheels on the bus, Row Row Your Boat, Big Ship Sails.</p>	<p><u>Understanding of the World</u> Talk about what cars, trains and planes used to look like. Go on a train ride with your family Look on the internet at how fast cars can go and compare with planes and boats Use different materials so see what floats/sinks</p>
