

## BEEVER NEWSLETTER No.146

### **SEPTEMBER RE-OPENING**

It is very difficult to predict what the prevailing conditions will be in September, but as a matter of course we are planning on welcoming all the children back to school from the beginning of September. The environment they come to may be different from normal, but please be assured that we will be following any advice from Public Health England to the letter. It is absolutely clear that all staff within school will be hoping we can get back to normal as soon as possible.

### **YEAR 6 COHORT**

Sadly, our end of year leavers' events have been disrupted by the lockdown and given the current circumstances will be unable to go ahead. We are conscious that of all our Year groups, it is this cohort will have missed out most from not being able to complete the school year in their usual manner. Therefore, we would like to arrange something for the Year 6 children to come back to at some point in the Autumn term, so they can celebrate their achievements and they can say their goodbyes. The timing of this will obviously depend on the prevailing conditions nationally, but once we have a date in mind will be contacting all the Year 6 children to arrange this. We would also like to take this opportunity to wish them all the best as they embark on their new adventures at Secondary School and hope they don't become strangers to us

### **dB LEARNING**

We are hoping that all children will by now have logged into our online platform and started to find their way around. We have seen a number of children who have accessed the learning on here to great effect and would urge parents to ensure their child accesses the activities put up on here by the classteachers. If you have not received an email with your child's login details or are having trouble accessing the site, please contact school and we will try to resolve any issues.

### **TWITTER**

We have got a new Twitter page, so drop by and see what you think. We can be found at @BeeverSchool and we hope it will provide another good source of information for you.
