ATTENDANCE & PUNCTUALITY

May I take this opportunity to thank parents for the relatively smooth transition this term to our new opening and closing times.

All classes will be opening their doors at 8.45am. I would encourage parents to arrive on the school site a little before 8.45am as we will be aiming to close the doors at the earliest opportunity to ensure a prompt start to the day. We recognise that over the last two years, the children have missed many opportunities due to covid and by opening a little earlier, our aim is to extend the children's learning time and give them that little extra that will help them on their educational journey. Therefore, it's really important that children are punctual for the start of the school day.

Can I also take this opportunity to remind parents, if your child does arrive late for school, you must bring them to the front office where they will need to be signed in by the adult who brought them.

WEEKLY ATTENDANCE & PUNCTUALITY PRIZE

Our first winners of the weekly prizes for attendance and punctuality for last week were the Year 2 class; with an attendance figure of 97.6% and only 5 instances of late marks. Well done Year 2!!!

BREAKFAST CLUB

With the changes in our school starting time, we have also brought forward the opening of the breakfast club to 7.45am. We request that children arrive no later than 8.30am for the club as after this point we cannot guarantee that there will be breakfast available and it won't give the children much time to consume before going into class.

SUMMER WEATHER

I may be a little optimistic in saying this but, as we move through the summer term and the weather brightens up, please make sure the children bring their water bottles to school each day.

It is also advisable to apply sunscreen each morning and send a cap/sunhat in for break and lunchtimes. Many thanks.

SCHOOL UNIFORM

We may now be in the Summer term, but there are still twelve weeks to go before the end of the school year. It is still expected that school uniform is to be worn.

Please help us by ensuring your child is dressed appropriately for school, in particular with the correct footwear. For PE lessons, a white t-shirt and black or navy shorts should be worn.

HEALTHY EATING

Please can parents be aware that during playtime there have been a number of children bringing in sugary snacks and biscuits to eat.

Children in Key Stage 2 may bring some fruit from home or they can bring 20p to buy some from school. We are also continuing to sell bottles of water for 30p.

In line with school guidance issued by the Department for Education and our Healthy Eating Policy, pupils who bring a packed lunch to school should ensure a well-balanced and nutritious meal is eaten. Packed lunches should not contain chocolate bars/sweets or an excessive amount of cake or biscuits.

Please also inform the office of any changes from packed lunch to school meal or vice versa.

Your help in this matter will be greatly appreciated.
