

Nursery and Reception New Starters

Thank you for choosing Beever Primary School. We want to extend a warm and friendly welcome to our school community and let you know we are excited to have you join us. Starting school is a huge milestone in your child's life and we want to make it as exciting and as easy as we can for both you and your child.

Our website has lots of information about life at Beever Primary school. In particular you may be interested in the following pages:

- A message from our Head teacher
- School Uniform
- Attendance
- Dinner Menus
- School Policies
- SEND and Inclusion
- English as an Additional Language
- Contact us

We have high ambitions for all our children and recognise that children have different starting points. We aim for our children to be confident, independent and caring children who show good behaviours for learning. We want all children to succeed and feel happy and safe in our Early Years Foundation Stage Unit and as they continue to move through our school.

Transition

We have a full and comprehensive transition programme to ensure we have all of the relevant information about your child so their needs are met from day one. This includes home visits, visits to their current setting, discussions with your health visitor and then any other service that may be involved with your child. Children are invited to a transition session in school in July and then start week one in September with half days building to a full day on the Friday.

If you have any questions or concerns, please feel free to contact us. We look forward to welcoming you and your child in September.
