

Pre-ved Uniform

We all know the cost of school uniform can be a burden and lots of children grow out of it long before it reaches the end of its life so we aim to regularly run pre-loved uniform sales.

The sales hopefully help our families at this difficult time, whilst keeping perfectly usable items out of landfill. Funds raised go into school fund and are used to purchase new resources for the children.

What is a pre-loved uniform?

Any items of uniform, including PE kit, coats and school shoes/pumps which your child has outgrown but are still in **good condition**.

How can I donate my pre-loved uniform?

When we hold our pre-loved uniform sales, parents/carers are notified and donation bins are placed on the school playground on the little stage area near the Year 1/2 doors (items should be deposited in these bins). Donations are also accepted all-year round and these can be handed in at the school office.

What will happen to the pre-loved uniform?

All items will be washed and ironed ready for re-sale.

How can I purchase items from the sale?

Parents are notified of the date/times of the sale and the event usually takes place either in the school hall or on the playground, dependent on the weather/time of year. Jumpers and cardigans are sold at £1; t-shirts and PE kit are priced at 50p. Other items such as coats and shoes are marked up on the day. All items are to be paid on the day with cash.

Please note, pre-loved items are often available all-year round so you need not wait for a scheduled sale event. Please speak with a member of the office staff if you require uniforms
