### 1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

### 2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

### 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

### 4. Use of the grant

This policy incorporates the aims and values of our school mission statement;  
*"Beever Primary School works with parents to encourage each child to fulfil their potential by means of high standards within a broad and well-rounded education. We aim to equip each child with skills, attitudes and values to develop them into responsible citizens. Individuals will learn effectively in a safe, secure, high-quality environment where there is a happy, positive and inclusive school culture. Everyone at Beever Primary School is made to feel valued".*

The use of pupil premium funding is rooted in our belief that every child is unique, and that this is reflected in the desire, commitment and aspirations of our school staff to address and overcome socio-economic factors – or any other external factor – which may hinder pupil progress and attainment, and ultimately affect their life chances.

The school recognises that not all pupils who are eligible for pupil premium are underachieving, while some pupils may be underachieving and not eligible for pupil premium funding. It is school policy to plan, adapt and prepare for any individual, or group, in which any area of under-performance is evident.

As part of this policy, we recognise that the majority of pupils at Beever are eligible for the pupil premium grant and therefore many of the barriers to children achieving are shared widely across the school. These barriers are listed in further detail within the pupil premium strategy statement but cover areas such as children's lack of resilience and self-confidence, limited speech and language skills and learning behaviours which may need developing. In making decisions on how best to utilise Pupil Premium funding, we will often use evidence-based research and resources from the Education Endowment Foundation, whilst engaging with parents and understanding what will be successful in the context of our school.

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's requirements on what maintained schools must publish online.

Our pupil premium strategy is available here: <https://www.beever.oldham.sch.uk/key-information/pupil-premium/>

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

Information on how the school uses the pupil premium is available here: <https://www.beever.oldham.sch.uk/key-information/pupil-premium/>

## **5. Eligible pupils**

The pupil premium is allocated to the school based on the number of eligible pupils in reception to year 6.

Eligible pupils fall into the categories explained below.

### **5.1 Ever 6 free school meals**

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### **5.2 Looked after children**

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

### **5.3 Post-looked after children**

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

### **5.4 Ever 6 service children**

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.
