

Literature is the foundation of life. It helps to improve our command of the spoken language; helps to strengthen writing skills; stimulates intellectual curiosity; enhances memory and encourages us to be critical. We are committed at Beever Primary School to ensuring our pupils are exposed to a wide range of texts, authors and poets. When designing our curriculum, texts have been carefully selected so, when the children complete their primary journey with us, they will have encountered different genres and authors. From Years 2 to 6, children also share poetry by chosen poets, whilst in the Early Years Foundation Stage and Year 1, we make a promise to share traditional rhymes and aim for these to be recited.
