

SEND Survey – Pupils at home during Lockdown 2021

How are you feeling during lockdown?

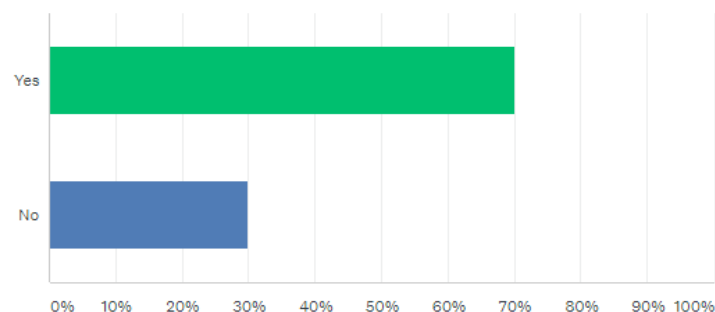

Answered: 10 Skipped: 0

School response – 80% of pupils were feeling ok or better working at home during lockdown. During weekly assemblies and daily checking class teachers regularly engaged with all children about mindfulness and mental wellbeing making pupils aware of where they can reach out to for help if they needed it.

I have all of the things I need at home to do my work including a quiet space to work.
