

A message from the SENDCo...

Hello. My name is Victoria Kindon and I am the Deputy Headteacher and Special Educational Needs and Disabilities Co-ordinator (SENDCO) at Beever Primary School.

At Beever Primary School we are committed to ensuring that all of our children achieve their full potential. We work hard to remove any barriers that may be affecting learning and aim to provide all children with the support they need to make progress and succeed. We understand that children learn at different rates and that some children require more personalised help. We embrace the fact that every child is different and therefore the educational needs of every child are different and we work collaboratively to ensure each child gets a quality learning experience that meets their needs. Our school ethos and values statement 'working together to achieve our best in a safe, nurturing environment' incorporates all who are in our school family and we pride ourselves in being a fully inclusive school which is demonstrated in our EDIQM award accreditation.

If you have any queries about your child I am always available to speak with you so please get in touch.

Kind regards

Mrs Victoria Kindon
