Be a Beever STAR!

Our Beever STAR values are at the core of everything we do and it is our aim to raise standards by promoting a school ethos that is underpinned by these. We strongly believe these values are important not only within our school environment but within the community too. Help us by talking to your child at home and talk to your child's class teacher about how they may have applied these values outside of school.

Beever Pledge

The Beaver Pledge is part of our commitment to giving the best education to the children. It goes beyond the Primary National Curriculum set out by the Department for Education and through it we

aim to provide many different opportunities for the children to develop their skills and learning. Meeting the elements of the pledge will not only broaden the children's experiences and aspirations but will enable them to become life long, successful learners.

On **Monday 2nd October 2023**, we will be working on the element '**BE A FUNDRAISER**', as we raise money for the Macmillan Cancer Support Charity.

This is something close to our hearts, with three of our children having been affected by cancer. We are all in awe of the strength and resilience the children and their families display and we hope to raise a good amount to donate to the charity in their honour.

Instead of a coffee morning, we are challenging our children to get active with a sponsored walk/run around our track. Each class will be given a time slot to complete their challenge and parents/carers are welcome to come along and cheer them on. Sponsor forms will be sent home this week along with a letter providing further information.

Celebrating Birthdays at School

Birthdays are milestones in a child's life, but getting to celebrate at school with their friends can be so much fun! At Beever, we believe in creating an environment where every child feels cherished, and acknowledged, and celebrating birthdays plays a vital role in achieving that goal.

We know the children often like to bring in gifts on their birthday as part of their celebrations with their peers and we thank parents/carers for their generosity in doing so. **Due to allergies, dietary and medical needs, we kindly ask that cakes, buns, sweets etc are not sent into school. Please choose alternative things such as bubble wands, pencils, rubbers, whistles, bouncy balls etc (like you would find in party bags). Alternatively, children may wish to donate a book or a game to their class and attach a message so their birthday milestone can be remembered for years to come.**
